Given Recipe

Class 63: Fruit slice 'Fly Pie'

Ingredients

300g Plain Flour
150 g butter chilled
50g Icing sugar
1 egg
Cold water

Filling

200g currants
75g brown sugar
50g butter softened
1 tsp mixed spice

Oven 180 or 160 for fan oven or gas 4

Grease a 20x28cm baking tray with a little butter. In a large bowl, using your fingers, rub the flour and butter together until it resembles breadcrumbs. Stir through the sugar before adding the egg. Mix until combined, adding cold water as required and knead into a soft pastry dough. Wrap in cling film and place in the fridge to cool.

In a bowl mix the currants, sugar, butter and mixed spice until combined.

Remove the pastry from the fridge and roll to 0.5cm thickness and cut into two large rectangles, about the size of your baking tray. Place one pastry rectangle onto your prepared tray. Spoon the currant mixture evenly on to the pastry on the baking tray leaving a small gap around the edge. Wet the edges with a little water. Place the other sheet of pastry on top of the currants and gently press the edges together with your fingers before finishing with a fork.

Brush the top with a little milk or beaten egg, before pricking a few holes on the top of the pastry.

Bake for 25-30 minutes until a light golden brown.

Remove from the oven and sprinkle a bit of caster sugar on top to finish. When completely cool, cut in to squares.
