SHOWGROUND SAFETY AND SECURITY

The Society hopes you have an enjoyable and safe day at the show. We would like to remind our visitors, competitors, exhibitors, trade exhibitors and the public that they are requested to observe any instructions given by the stewards appointed by the Society to maintain safety conformity, with special reference to DEFRA Biosecurity.

A copy of the Society's risk assessments is available for inspection in the Secretary's office on the Showground.

PRESIDENTS MESSAGE

I feel very honoured to have been asked by the Kington Show Committee to be President for this year.

My earliest memories of Kington Show were sitting on the top of my Grandparents Land Rover around the ring at the Rec, being in awe of the horse competitors especially the Heavy Weight Hunters and Shires. In those days top class Show Jumpers competed at the show. The Hereford Cattle classes were always well supported and the Clun Forest Sheep had large entries. As times have moved on in farming the show has also very successfully evolved and embraced changes. It was very generous of

David Hutton to offer us the use of The Ovals and the move has enabled the show to substantially grow in recent years.

I am especially pleased to see the increase in Membership and the enhanced Member facility, with the pre-show lunch going from strength to strength.

I would like to thank the Show Committee and the many volunteers who work tirelessly to make the show such a success and now just pray for good weather!!

BROTHERHOOD

Friendship is important for our mental health, it gives us a sense of belonging and allows us to share our experiences and make memories with others. Becoming a Freemason opens up the door to the world's original social network.

CHARITY

Freemasonry is one of the largest charitable givers in the country, contributing £51.1m to deserving causes at both local and national levels, from the air ambulance to riding for the disabled.
